Press Release

Yeowww! Catnip to release new product at Global Pet Expo Yeowww!-ola Catnip Crayons

Color us pleased to announce the newest addition to our Yeowww! Catnip line of toys – Yeowww!-ola Catnip Crayons. DuckyWorld Products, Inc., maker of Yeowww! Catnip favorites like the Chicata Banana and the Pollock Fish, is excited to launch this new product, designed to feed the artistic talent of aspiring feline artists around the globe.

Spark kitty's creativity with this set of three colorful toys 100% filled with Yeowww! organically grown catnip - no fillers and no chemicals. All this delicious catnip comes encased in durable cotton twill that is strong enough canvas for even the most enthusiastic artist.

Yeowww!-ola Catnip Crayons will make their debut March 20-22, 2019 at Global Pet Expo in Orlando, FL. Stop by the DuckyWorld booth, 3181, for a look at this and all our kitty-approved products and to take advantage of special Global Pet Expo promotions.

Yeowww!-ola Catnip Crayons may also be seen in the Expo's new product showcase. Orders are expected to ship in late spring.

DuckyWorld is the home of the world-famous quirky catnip cat toys, that have felines asking for it by name: "Yeowww!" Made in the USA, Yeowww! Catnip toys come in a variety of fun, unusual shapes and sizes to tempt every cat and are sold across the globe in independent pet stores, boutiques, clinics and gift shops. Yeowww! Catnip is a premium leaf and flower top blend of 100% organically grown catnip.
