Press Release

Yeowww! Catnip to release new product at Global Pet Expo: Yeowww! Catnip Sun, Moon & Stars

Spoiled cats around the world are rejoicing at the news that DuckyWorld Products, Inc. has finally solved the age-old problem of what to get for the cat who has everything. The answer is the newest addition to DuckyWorld's Yeowww! Catnip line of toys: Sun, Moon & Stars!

Indulge kitty with a whole constellation of fun in a small package. The set of three out-of-this-world toys features fun shapes and textures, including a crinkly solar corona. As with all Yeowww! Catnip products, the Sun, Moon & Stars are made of durable cotton twill and filled with our special 100% organically grown catnip - no fillers and no chemicals. It's a combination sure to send even the most pampered cats into orbits of delight and keep them entertained for hours!

Yeowww! Catnip Sun, Moon & Stars will debut at Global Pet Expo in Orlando, FL, February 26-28, 2020. Be sure to visit the DuckyWorld booth, 3181, to see our entire galaxy of kitty-approved products and to take advantage of special Global Pet Expo promotions. Yeowww! Catnip Sun, Moon & Stars may also be seen in the Expo's new product showcase.

Orders for Yeowww! Catnip Sun, Moon & Stars are expected to ship starting February 26, 2020.

DuckyWorld is the home of the world-famous quirky catnip cat toys, that have felines asking for it by name: "Yeowww!" Made in the USA, Yeowww! Catnip toys come in a variety of fun, unusual shapes and sizes to tempt every cat and are sold across the globe in independent pet stores, boutiques, clinics and gift shops. Yeowww! Catnip is a premium leaf and flower top blend of 100% organically grown catnip.
